No sooner does one season start than we are quickly into another series of evening trials. A fine evening of sport I think you'll agree with very sensible sections plotted by Chris Kirkbride. Once again getting enough observers for the start is a long-term problem but most sections were observed come the end of the evening.

Not sure at the moment where the next evening trial will be but there's no doubt about the date which is Wednesday, June 18. Check the club website for the venue and also Trials Central as well as TMX.

Any questions about these results, contact Mike Rapley on 07788 161929. Thanks to those who observed and to anyone else who helped on the night.
