Well, here we go again with the start of another season of Evening trials sponsored by Ossa Moto importer Nigel Birkett. A great entry as you can see from the list and judging from the comments made on the night, the sections were just about spot on. The second was obviously the most difficult, but then it was just slippery with nothing risky so losing marks is not a problem. It's what the sport is all about. The next trial is on Wednesday, June 13 at Wrayton Hall Farm, Wrayton which is midway between Tunstall and Melling. This is a great venue, with superb, flat field parking and Brian Ashton is always very keen for the club to enjoy a trial on his land.

We've been promising you a new website and today (Thursday) we met with the web company to finalise the design and it should go live early next week. The new site will be much more than just a place for results and forthcoming event details as we plan for it to be a general trials news site (relevant to North West and Northern Centre riders) and it will have lots of pictures, not necessarily from just our trials as we've got some good ones from Scotland to start with as well as some from last night. Like all new toys, we'll be experimenting with it's pages and designs, so get logged on next week and don't be afraid to use the contact link if you think we are missing something or have ideas to improve it.

As always, these results were compiled from the observers' cards and should there be any glaring errors, please contact Mike Rapley on 07788 161929.
