As the secretary of this trial, I was sitting in my car at 4pm thinking "will anybody turn up" as the rain poured down. Thankfully, there was a pretty decent turn out considering the conditions and there were no retirements, so well done to everybody for making all the effort worthwhile. It was Michael Batty's invitation that took Lancs County to this great venue, and we've already been invited back for another evening tri next year, and if we wish, a big lap Sunday trial as the farm extends way beyond what we have used to date. Unfortunately Michael couldn't be there as he was in Canada at a family wedding. Many thanks to the observers, Martin Peck, Dave Oswald, Chris Kirkbride, Carl Batty's father-in-law, Miss Hodkinson, David Taylor and Mike Rapley and special thanks to Carl for his help prior to the trial and on the night
