Despite the brilliant weather - such a change for Lancs County - it was a disappointing entry for this our only charity trial of the year however we intentionally made it easy so that everybody got a decent chance of a ride with few marks lost. Even so it's not easy to go clean so congratulations to the three who did. Thanks to James Morphett for the generous use of this land, thanks to those who picked up a observers board for a while and special thanks to Dave Oswald who set out and cleared up entirely on his own, with only the minimum bit of help from the secretary.

Our next trial is also at Low Gill, just along the road from this venue on Sunday, February 24 for the first round of the Sunday Series for 2019.

John Holdsworth has a 2016 250 Scorpa for sale in very good condition (he's a bike mechanic) for £2995 on 07870 143019

Mike Rapley has a 2014, 200cc Beta Alp trail bike for sale, 1148 miles only in immaculate condition for £2995 on 07788 161929
