What a change! Beautiful weather for Lancs County which makes a big difference and a good turn-out of enthusiastic riders. Our thanks go to Brian Ashton and his family for the last minute permission to use his land. A big thank you to the observers on the day, especially to those riders who started in the trial but picked up a board and gave up their ride for the benefit of the rest. Getting observers is a real problem and when our regular band can't attend for various reasons it means we have to rely on the goodwill of riders who are happy to help out.

For those booked into our training day next Saturday afternoon, it is at 2pm at the land known as Caton Moor below the windfarm above Brookhouse. I'll be sending e-mails to confirm.

The club's next trial is on Wednesday evening, May 14 at Bainsbeck Farm, Arkholme with a 6pm start and is the first round of the Ossa Moto evening series sponsored by Nigel Birkett.
