Thanks for the turn-out today on what promised to be and in fact was a pretty horrible day weatherwise. Even so the guys did a great job; nothing too hard and certainly nothing silly so the thanks go to the following, either for helping to set out or observing on the day. In no particular order: Ian Quinn, Stewart Willshaw, Joe Willshaw, Dave Ketteringham, Dave Taylor, Nick Shield, Andy Whiteside, John Holdsworth, Paul Proctor, Darren Metcalfe and Robert Taylor. Mike Rapley took the entries and did the results.
