So, we've started 2012 in conditions that were horrendous to start off with but it did eventually stop raining and allowed us to get on with the trial.

Our thanks go to everybody that turned out to enjoy our New Year's Day offering and of course thanks to the 10 observers who offered their services. And it was appreciated that riders got on with the job which allowed us to finish early and get off home from such a windy location. As always, these results have been calculated from the observers cards and should you think there is a question mark about your score, then contact Mike Rapley on 07788 161929.

This was a charity trial and all the proceeds will go to the North West Air Ambulance, a service that benefits the whole community, not just our sport. Our next trial is on Sunday, February 19 at Low Gill near High Bentham, which is always a popular venue followed by the Good Friday trial on April 6.
