It makes a change for the club to enjoy some cracking weather after so many wet trials last year, even though the day proved to be mighty cold. Well done to the observers who braved the chill winds, they were Mike Fallows, Robin Nelson, Chris Kirkbride, Keith and Lyndis Quinn, Ian Quinn, Angie and James Clapham, Dave Taylor, Harold Isherwood and our club President Dave Redford. These results have been compiled from the observers sheets and where necessary the riders have been given any benefit of the doubt, but should you consider them significantly incorrect, contact Mike Rapley on 07788 161929 for them to be checked.

Our next trial is on Good Friday and will be at Matthew Alpe's farm, New Hey Farm, Whitewell near Dunsop Bridge the date being April 6. Once again, it is not possible to put these results on the club website, but we hope soon to overcome this problem as we have made a decision to have a new website produced by using a professional company. However, that is still some weeks away, so until then these results can only be on Trials Central. Thanks for producing a marvellous entry and we trust you will support us through the rest of 2012.
